## INTEGRATOR REPAIRS:

We are unable to assist you in repairing any faults to your Integrator. All repairs are managed by the manufacturing company in the USA. **You must follow the instructions below to ensure a smooth and effective resolution to your fault.**

- 1) Call Ms Toby Orndorf of Miltex at: 0011 1 717 840 3476. Or you can e-mail Ms Orndorf directly at [torndorf@miltex.com](mailto:torndorf@miltex.com) – It is absolutely necessary that you speak only to this person.
- 2) You will obtain an RMA# prior to returning your Integrator. It is this RMA# that must accompany your Integrator when you ship it back to Miltex for repair. Without this number your repair may take up to 6 months to track!
- 3) Mail your Integrator to: Moyco Union Branch, Division of Moyco Technologies Inc. 589 Davies Drive, York, Pennsylvania, 17402, USA.
- 4) I recommend sending by courier (FedEx or AusPost International Courier Service), insuring your Integrator, obtain tracking numbers, and state on any customs forms that it is returned faulty goods, and that the goods were manufactured in the USA, to avoid any duties.
